# ONLINE EXAM TERMS AND PRIVACY POLICY

1. The exam duration is **60 minutes**, during which participants must answer **25 questions** across all categories.

2. Participants will be monitored by the Coding Olympiad team via a camera program. Any violations will be recorded and reviewed after the exam.

3. Please keep your camera and screen sharing active at all times during the exam, as your camera and screen will be recorded throughout the exam. Continuing the exam without an active camera may affect your score and ranking.

4. If participants experience camera connection issues or get disconnected, they should continue answering the questions.

5. A timer will display both the **total exam time** and **remaining time**.

6. In case of a tie, the student who completes the exam earlier will be given priority.

7. Questions can be navigated using the **NEXT** and **PREVIOUS** buttons.

8. Each question has **four answer options (A, B, C, D)**. Participants must select the correct answer.

9. Answered questions will appear on the screen in sequence. Unanswered questions can be revisited via the question table.

10. Each incorrect answer deducts **1 point** from the total score.

11. The use of smartphones, calculators, or any electronic devices for calculations is strictly prohibited. Paper, pen, or pencil is allowed.

12. Once the **END EXAM** button is pressed, the exam cannot be reactivated.

13. If the exam window is accidentally closed, participants may log in again and continue from where they left off. Saved answers remain intact, but the timer continues running. Ensure the camera is reconnected.

14. Opening a page outside the Coding Olympiad portal triggers a warning. Each violation deducts **0.5 points**.

15. Students must complete the exam independently. Assistance from others, printed material, or electronic devices is strictly prohibited.

16. The exam will automatically end after 60 minutes, saving all answers. Clicking **END EXAM** is not required.

17. For assistance, fill out the **Help Desk Form** on the homepage.

18. After completing the exam, close the camera application to conclude the session.

19. Copying, photographing, reproducing, sharing, or archiving questions is strictly prohibited. Exams of violators will be cancelled.

20. In case of technical issues, activity logs on Coding Olympiad servers will be reviewed. Evaluation considers compliance, exam start status, number of questions viewed, remaining time, and other recorded actions.

21. Exam results will be announced within 12 days.

22. Coding Olympiad reserves all rights to publish and use Olympiad questions. Questions may not be broadcast, copied, or used in any other form.

**GOOD LUCK!**
